Description

Oil and Mixed Media on Canvas *Souvenirs from Monet's Garden* is an oil and mixed-media painting inspired by the beauty and tranquility of Claude Monet's famous garden in Giverny. Capicotto's use of colour and texture captures the lush, serene atmosphere, evoking the essence of Monet's Impressionist style while maintaining his own expressive touch. The painting conveys a harmonious connection between nature and art, blending the natural world with a painterly, dreamlike quality.
