Description

Oil on canvas This is a beautiful painting, with the technique of so many layers of paint, which adds the texture, that sets Joseph Capicotto's work apart from others, and in a very special way. Joseph Capicotto is a Canadian artist known for stunning paintings of beautiful women. His work is much sought after both here in Uk and throughout the world. Joseph has no order or form to his method. There is a lot of layering, and the layers are not in any particular order or method. It just depends on what he feels will look best for a particular painting. CLICK AND BUY, OR PHONE 01326 219323, mobile 07913 848515
