Description

So what's his problem!! maybe can't make it to that restaurant. oil on canvas board There is great humour in Thomas's work, he can see the funny side to almost any situation in life. The theatre has been a strong influence in his paintings as he spent many years involved in design and scenery. His palette is traditional both in the mixing of his colours and the application of his paint to the canvas, often using a palette knife in its width and the edge to extenuate perspective.
