Richard Ballantyne's ceramics are as varied as the British climate - the work being both sculptural and functional, life size and miniature created from RAKU to high fired porcelain. Richard says of himself " Being not only a pyromaniac, but also a bit of a magpie, my work incorporates found objects in sculpture, anything from ash from Mount St, Helens in a glaze, to stones washed up on the beach used as plinths.... Everything else tells it's own story" Click and buy now or phone 01326 219323 mobile 07913 848515
