Description

Yet another fabulous series inspired by that crazy Frenchman Franky Zapata who flew the English Chanel on his hover board oil on canvas board .Thomas Bossard artist mainly in oils, born in Poitiers 1971, and first studying art in Belgium. The theatre has been a strong influence in Thomas paintings; he spent many years involved in design and scenery. His pallet is traditional both in the mixing of his colours and the application of his paint to the canvas, often using a pallet knife in its width and the edge to extenuate perspective. Often with great humour in his personality; for Thomas is a deep sensitive man therefore it is his nature to execute great care in each and every one of his paintings.
